

UNDERSTANDING **CHILD DEDICATION**

Train a child in the way he should go, and
when he is old he will not depart from it.

Proverbs 22:6

~Child Dedication~

An opportunity for parents & the church to
commit to the following:

PARENTS are dedicated:

- to the commitment of teaching their child Biblical truth.
- to the commitment of praying for their child.
- to the commitment of supporting the spiritual formation of their child including any future service in ministry for the Lord.

The **CHURCH** is dedicated in the sense of their commitment to **SUPPORT** the parents in the above objectives... not replacing but supporting the parents' role in the teaching, praying & spiritual formation of the child.

*Nothing about child dedication implies the salvation of the child only the commitment of parents & the church regarding points listed above.
